

Our first meeting of the fall will be a little different, informative and entertaining. We will be seeing a documentary film on the Detroit Boblo Boats that transported thousands of people every summer to Boblo Island to enjoy the amusement park. Nancy and I saw the film at Hells Half Mile film festival. It has several twists and turns, and we think you will enjoy it. The run time is one hour 19 minutes. We will convene at 6:00 at SBYC and have dinner about 6:30ish. Please rsvp to this email by the end of next week so the club can make dinner plans.

The next meetings will tentatively be December 1st, also at SBYC.
