

Saginaw Bay Sail and Power Squadron Meeting for November 11, 2021

6:30 pm dinner at Saginaw Bay Yacht Club
Meeting and Program to follow

Our program will be presented by the
Saginaw Bay Community Sailing Association...

We see them all the time - those tiny sailboats lined up at the foot of 5th Street.
Now learn the story and purpose behind them, their classes for students and adults,
what they teach - on the water and off, boat handling skills and more.

Presented by Executive Director Katie O'Brien

Please RSVP by Tuesday 11/12 12 noon to
